Dear Parents, Assalamu alaikum

I hope and pray this newsletter greets you in the very best of health.

First of all: a huge thanks to all those who helped in organising the ladies night on 12th Feb. It was successful evening that raised around £5,000 towards buying a minibus for the school. There were around £7,000 of pledges made by the function's attendees which are yet to be collected.

Our FACS team worked very hard for the fund raising event. I hope that more parents will join the FACS team to make future events even more successful. Every Thursday morning FACS has a coffee morning, so "Mums/Aunts" please do come along to this.

I shall have a coffee morning for "Dad's/Uncles" please look out for the date in the near future.

Scriptural Reasoning

There is a group of people from the Abrahamic faiths that have been getting together for a few years for scriptural reasoning to help in better understanding of each other. Recently the Muslim members of their group have moved away and hence they are looking for Muslims to join their group. If any of you are interested or you know of someone who is, then please do let me know.

Finally, I would like to draw your attention to the other attachments in this email.
