RE: Ayesha Community School, EYFS & Primary Phase

Dear Parents / Carers

Welcome back to the second half of Autumn Term.

As many of you know we've been making some changes and improvements to various aspects of the school this past term. This includes improvements to the EYFS, Playground and also the school library. We aim to continue with these improvements through to the end of term but would like to thank both staff and parents for their invaluable support in these endeavours.

Another significant change from this half-term has been the appointment of Mr Alim Shaikh in the capacity of Vice-Principal. Br Alim will be leading the EYFS and Primary phases of the school and has commenced duties already, we're delighted to welcome him to the school and he brings valuable leadership and headship experience.

I would like to remind you that our parent groups (FACS) meets every Thursday morning at 8:30am. Currently FACS are organising a fund raising event for December and would like your support and help in making this a success. I hope that all of you will be able to participate in this.

I look forward to your continued support and as ever, please feel free to discuss any matter relating to your child's education with me making arrangements through the appropriate channels.

Yours faithfully,

Shakil Ahmed  
Ayesha Community School
